Restaurants

The “Cosmopolite” hotel offers its services for banquet and buffet organization. We will ensure we make your celebration unique because of the individual approach to each client and taking into account of all your wishes.

Two restaurants for your choice – Bavarian “Cosmopolite” and French restaurant “Brasserie” – will offer you a wide variety of menu options that will satisfy the most demanding gourmet.

Restaurant “Brasserie”. The restaurant is located on the third floor of our hotel near the conference center which makes convenient organization of breaks and lunches for you or your partners. Served in our restaurant French classical cuisine will surprise you with a variety of dishes and attentive service. Moreover, our sommelier will gladly pick out the traditional wine for your order.

Restaurant “Cosmopolite”. 170 seat restaurant “Cosmopolite” is located on the ground floor of our hotel and has a separate entrance that allows you to access to the restaurant directly from outdoors. In our restaurant you can taste Bavarian cuisine dishes prepared according to the original recipe. A unique feature of the restaurant is our private brewery, so do not miss an opportunity to order domestic beer that has already gained an immense popularity in Kiev.

A close-up photograph of a breakfast spread. In the foreground, a white plate holds a golden-brown croissant, a small round chocolate cookie, and a slice of Swiss cheese. To the left, a white ceramic cup filled with dark coffee sits on a matching saucer. To the right, a tall glass is filled with bright orange juice. The background is softly blurred, showing another white cup and saucer. A dark purple banner with the text "COFFEE BREAKS" is overlaid on the right side of the image.
